Dear Parent/Carer

Thank you for your continued support as your child enters their final academic year at school. We are so very pleased with the strong start from pupils. We have sky-high expectations of all pupils and the vast majority are really focused this year.

### Prom 2022

You may be thinking it is early to start thinking about the Year 11 Prom, however we have decided to start talking about it now with Year 11 so they understand what is expected of them if they wish to attend the Prom next year.

Pupils will need to meet a certain threshold to attend:-

- Attendance at school must be at least 94%\* at the time of the Prom.
- Pupils cannot have a negative conduct score.
- Pupils will need to have a minimum of 30 Prom Points.

### Prom Points

I am pleased to tell you that we have added a new reward point into our rewards system that will allow your child to earn points that will qualify them to attend next year's Prom. Pupils will be expected to earn 30 Prom Points to qualify to go to Prom.

For each school revision session your child attends (either before/during or after school) their subject teacher will log you one Prom Point. There are 30 weeks left to the school year so pupils should be attending at least one revision session per week.

If your child is unable to attend a revision session for any reason then they can also get a Prom Point by completing one piece of work from their subject teacher that they deem is suitable to qualify for a Prom Point. This could be a past paper, some independent study, a research project.

### **Free Prom Tickets**

I am also pleased to let you know that we have a number of free Prom tickets that pupils can win in a prize draw. Each pupil that manages to meet a certain threshold will be given a prize draw ticket. There is no limit on how many prize tickets they can earn.

- Pupils who have 100% attendance\* each term will get a prize ticket in the draw.
- Pupils who gain 60 Prom Points will get a prize ticket in the draw.
- Pupils who gain zero behaviour points each term will get a prize ticket in the draw.
- Pupils who complete 60 Hegarty tasks (two per week) will get a prize ticket in the draw.

I would like to take this opportunity to thank you for your support since the beginning of term.

Yours sincerely

Mr. S Adams  
Year 11 Champion

Mrs Robinson  
Vice Principal for Curriculum

\*Extenuating circumstances will be taken into account when checking pupil's attendance for qualifying for Prom.
